# Kamil Borecki

## Frontend developer

25 years old, currently in Częstochowa

## Future

I want to develop myself and  
write better and better code.  
I want to learn new solutions  
and create great applications.

## x-kom

(january 2015 - march 2017)

Creating products descriptions  
and presentations for company  
website and auction platforms  
with HTML and CSS.

Designing and programming  
system for work automatization  
and reporting in AngularJS  
and Laravel. Integrating with  
external APIs. Creating browser  
extensions integrated with  
system.

## HI

The things I love about programming  
are solving new problems, developing  
new tools and making life easier.  
I'm looking for a job in which I could  
develop my skills, broaden my  
knowledge and have contact with  
outstanding people. I would like to  
make my mark on the Internet, not  
only forms.

## 314 Apps Limited
